SLATED AS PRESIDENT OF BOARD OF ALDERMEN

WILLIAM H. ADAMS.

ADAMS ASSURED OF PRESIDENCY

Chairmen of Street Committee
Will Wield Gavel in New
Board of Aldermen.

William H. Adams, member of the
Board of Aldermen from Jefferson
Ward and now chairman of the Council
Committee on Streets, will be made
president of the Board of Aldermen
of the incoming City Council, which
takes office September 1 next. Mr.
Adams is the vice-president of the
present Board of Aldermen. Presi-
dent Robert Whitteit did not offer for
re-election to the Board of Aldermen,
as he has announced his candidacy for
the Administrative Board, and will
retire from the Council September 1.
The new Board of Aldermen, made up
of thirteen hold-over members and
ordway Puller, nominated Tuesday in
Clay Ward to succeed Mr. Whitteit,
will be made up of the following:

Clay Ward—Messrs. Ordway Puller,
John F. Den Leavy and John J.
Mitchell.

Lee Ward—Messrs. John B. Billey,
Barton H. Grundy, Marx Gunst, W. J.
Gilman.

Madison Ward—Messrs. P. H. Dona-
hoe, J. R. Perdue, Joseph E. Powers.

Jefferson Ward—Messrs. William H.
Adams, John R. Grimes, H. W. Melton,
A. C. Nelsen.

It will be noted that Jefferson and
Lee Wards have four members each,
by the accident of redistricting, mak-
ing a total Board of fourteen mem-
bers for the next two years. After
September 1, 1914, the Board of Aldermen
will consist of but twelve mem-
bers, three from each ward.

Adams Assured of Election.
Friends of Mr. Adams made a quiet
canvass yesterday and secured unani-
mous approval of his selection to suc-
ceed Mr. Whitteit.

He will have the appointment of
Aldermen members of the various com-
mittees of the new Council, and in the
absence or sickness of the Mayor, the
President of the Board of Aldermen
is the ex-officio Mayor of Richmond.

President R. Lee Peters, of the Com-
mon Council, is already assured of re-
election without opposition. The re-
tirement of Vice-President H. R. Pol-
lard, Jr., at the end of this term leaves
the offices of vice-president open in
each branch.

It is too early to speculate on com-
mittee assignments, and the reduced
size of the body will necessitate re-
vision of the rules. The inauguration
of the Administrative Board on Janu-
ary 1 next will make many of the
present Council committees unneces-
sary. It was stated last night, how-
ever, that with the election of Chair-
man Adams as President of the Board
of Aldermen, there was little doubt
of the selection of Subchairman El-
bert K. Pollock as chairman of the
incoming Street Committee, which,
after it turns over the detail work of
street improvements to the Adminis-
trative Board, will still have to con-
sider all matters relating to franchises,
public service corporations, and the
opening and closing of streets and al-
lance their rates more justly.

Sanitary Officers Qualify.
W. T. Tack, recently appointed chief
sanitary officer of the Board of Health,
qualified yesterday before City Clerk
Ben T. August. John T. Gill, recent-
ly appointed as an additional sanitary
officer, also qualified.

Petition in Bankruptcy.
A voluntary petition in bankruptcy
was filed in the United States District
Court yesterday by H. J. Probst, a
telegraph operator residing in this
city. The liabilities are listed at
\$1,027.87. The assets amount to \$250,
and are claimed to be exempt.

"CITIZENS' ASS'N' OF RICHMOND"

Organization to Support Best
Men for Membership on Ad-
ministrative Board.

At a meeting held last night by a
large number of representative busi-
ness and professional men, an organi-
zation was effected for the purpose of
naming all citizens to the importance
of qualifying to vote, and more par-
ticularly for the purpose of enlisting
the aid of citizens in every portion of
the city in endorsing the most worthy
candidates for the new Administrative
Board. The organization was named
"The Citizens' Association of Rich-
mond."

Only the preliminary steps were
taken at last night's meeting. A com-
mittee was appointed to name the offi-
cers of the association and to invite
as many citizens as possible from
every walk of life and from every
section of the city to join the or-
ganization and aid in its work. The
point was distinctly made by the
speakers that this was to be in no
sense a political organization for the
purpose of promoting the interest of
any man or set of men, but solely to
rally the weight of the good citizens
of the community to the support of
meritorious men seeking membership
on the Administrative Board.

A permanent organization will be
effected at the next meeting. Resolu-
tions were passed last night endorsing
the action of the Chamber of Com-
merce and Business Men's Club in
maintaining a neutral policy in the
approaching contest, and urging all
citizens to pay their poll taxes before
next Saturday and thus become qual-
ified to vote. A large mass-meeting
will be held at an early date to carry
out further the purposes of the asso-
ciation.

Large All Citizens to Qualify.
The following resolution was unani-
mously adopted:

"Whereas it has transpired in the
primary election just held for mem-
bers of the City Council, that of the
5,400 or more registered voters, only
5,600 votes were cast, showing that
about 2,800 of which a number were
Democratic voters—or more than one-
fourth of the registered voters, failed
to go to the polls; and whereas, the
approaching primary for the selection
of members of the Administrative
Board is of such paramount import-
ance to the welfare and prosperity of
the community that every good citi-
zen should feel it his bounden duty to
do his part in voting and working for
suitable men for positions on said board.

"Therefore, be it resolved, That
every Democratic citizen who is not
registered be urged to do so, and that
every registered voter be urged most
earnestly to at once pay his poll tax;
and that every business man in this
city be earnestly requested to ad-
vise and persuade all of his employes
to register and pay their poll taxes
on or before Saturday, May 4, in order
that the electorate may be qualified
to cast its full strength at the pri-
mary to be held for the selection of said
Administrative Board."

At a meeting of the executive board
of the Virginia State Fair Association
held yesterday afternoon, Abram
Warwick was elected general manager
of the association, to succeed Mark R.
Lloyd, who resigned from the posi-
tion last Saturday. Mr. Warwick was
notified and accepted. He will assume
charge of the association's affairs at
once.

Though he has had little to do with
such work, as his new position car-
ries, Mr. Warwick is well known in
the city as a business man, and doubt-
less will prove most successful with
the fair. He is now employed as
deputy collector in the United States
Revenue Department. He has for a
number of years been treasurer of the
Commonwealth Club, and since its or-
ganization has had charge of the fi-
nancial affairs of the Country Club of
Virginia.

WESTERN UNION SLOW TO COMPLY

City May Cut Down Poles and
Wires of Outlaw Cor-
poration.

CRENSHAW WANTS MORE PAY

Contract Let for Paving Grove
Avenue—Four Miles of
New Curbing.

At the suggestion of City Attorney
Pollard, a resolution was recommended
to the Council for adoption by the
Council Committee on Streets last
night, requiring the Western Union
Telegraph Company to comply with
the decision of the United States Su-
preme Court upholding the validity of
the underground conduits for the
city of Richmond. Since the decision
was rendered, the Western Union has
taken no steps and has filed no plans
with the Committee on Streets indi-
cating its purpose to remove poles
and wires from Broad Street and con-
struct the necessary conduits. The pa-
pers recommended give the City At-
torney full power to proceed by man-
damus if necessary. Unless the com-
pany makes some move indicating its
intention to comply within a reason-
able time, it is believed that its poles
and wires may be cut away by the
city's employees without notice or com-
pensation, as mere obstructions to the
thoroughfares placed and maintained in
defiance of law.

Sewer for Kline Factory.
At the request of S. W. Meek, the
committee recommended that the
Kline Motor Car Company be allowed
to connect its plant on the Boulevard
with the Fair Ground sewer for sewer-
age only. City Engineer Bolling
explained that when the sewer was
extended to the Fair Grounds only a
twelve-inch pipe was carried over to
the west side at the grandstand. This
was calculated to be of sufficient size
for the area within the Fair Grounds
to be drained, but for no extensions.
When the section is annexed a large
sewer will be carried out the Boul-
levard along the western side of the
Fair Grounds. Meanwhile Mr. Bolling
wished the committee to allow the
Kline Company to connect with the
twelve-inch sewer which might
cause serious overflows, and the con-
nection was allowed for house drain-
age only—not for surface drainage or
road washings.

Assessor of Damages Crenshaw, ap-
pointed January 1 last, appeared be-
fore the committee stating that the
compensation of \$500 allowed for only
a part of his time was not sufficient
on that the work had taken a large
part of his time, proved very labori-
ous, and he had been at some ex-
pense to purchase special maps. Mr.
Ferguson proposed to make the com-
pensation \$1,200. Mr. Bolling would
like to pay \$1,500 or \$1,800, but wanted
the law to be changed so as to make
the office his whole time to the city,
and be a subordinate in the office of
the City Engineer—not an independent
official, giving only a portion of his
time and having his salary paid by the
city.

At this point there was before the
committee the motion of Councilman
Radcliffe that the superintendent's re-
commendation be adopted, and the sub-
stitute of Alderman Melton that the
contract be given the Crenshaw com-
pany, but just as the vote was about
to be taken, Alderman Mitchell rose
to say that he could not intelligently
vote without first hearing from City
Chemist Whitfield. Mr. Whitfield came
up to elucidate for Alderman Mitchell.

Mr. Whitfield, in the course of his
remarks, he referred to a letter in the
possession of Superintendent Knowles.
This remark, inadvertent as it appar-
ently was, created another scene, some
of the committee evidently knowing
what the letter contained, protesting
that it should not be read, while oth-
ers, it seemed out of curiosity more
than anything else, wanted to hear it.

"Are you sure," asked Alderman
Powers of the superintendent, "that
the reading of this letter would not
involve the city of Richmond in a
damage suit?"

Interior Coal.
Mr. Knowles replied that he did not
know, but that the names signed to
the letter were those of men who were
employees of the department, and whose
integrity could be questioned. The
purpose of it was that when Mr.
Crenshaw had previously had the con-
tract the coal furnished was the "most
inferior and troublesome" that had
ever been used. It was signed by the
foreman and employees of the Gas
Works.

Mr. Crenshaw was again allowed on
the floor in "rebuttal," and asked why
he had not been penalized, as the
contract provided, saying that he had
never received from Mr. Knowles any
written complaint concerning the coal
furnished, and that he always had
been paid the full amount of his
bill. He and Mr. Knowles were in a
hot encounter of questions and an-
swers when the committee decided to
take the vote, and denied them fur-
ther use of the floor.

The Melton substitute was lost by a
vote of 6 to 6, and the motion offered
by Mr. Radcliffe, that the contract be
awarded according to the superintend-
ent's recommendation, went through
by the vote previously stated. Mr.
Crenshaw intimated that he would not
be satisfied with the ruling and might
appeal to a higher authority.

No Quorum.
The Council Committee on Relief of
the Poor and Street Cleaning, which
should have met yesterday at 5:30
o'clock and 8 o'clock, respectively, failed
of quorums and had to be postponed.

Married in Washington.
Marriage licenses were issued yes-
terday in Washington, D. C., to the
following Richmond couples: John
W. Davis and Annie L. Johnson,
of 1111 North Twenty-sixth Street;
Joseph A. Barrett and Grace J. Tig-
nor, of 311 West Cary Street.
